

# A Bella News

**Our salon is so unique because of its ever-changing nature. The trendy haircuts, new facials, new body treatments, as well as our wide variety of nail services help keep your style up to date. The leaps and bounds that technology has taken are giving us options in the industry we have never had before. Happy New Year from our family to yours.**

**HAIR:** Ready for a new, updated hairstyle? Our hair design team features experienced stylists with national training. Continual education enables us to provide you with the most progressive range of styles available. Our staff works with you to shape the definitive look you desire. With a full compliment of the finest hair care products available throughout the salon, your stylist can recommend the best products that will keep your hair looking great between visits. Look for our new TOUCH OF GOLD COLOR TOUCH SHINE ENHANCING COLOR or our NEW CELLOPHANE TREATMENT. Ask your stylist.

**NAILS:** Manicures and pedicures are the specialty at A Bella Salon and Spa. We help pamper and protect your hands and feet. Escape. Exhale. Relax. Slip away on a fragrant voyage cradled in sweet almond and jojoba oils and vitamin E. An indulgent escape to a soft, smooth, healthy beautiful glow. New from A Bella Salon & Spa Almond Spa Manicure and Pedicure.

**SKIN:** Repechage and A Bella Salon are excited about the newest scientific breakthrough realizing the miracles of the sea. Our Vitacura Collection formulated with pure energy, seaweed and patented ingredients delivering health, beauty and wellness. Ask our skin care specialist about the Vitacura Nutritional Supplements, Triple Action Slimming System, Vitacura pure organic seaweed bath and the anti-aging triple firming cream. Vitacura by Repechage is advanced skin repair. The perfect take home product for any facial. Buy 4 Vitacura Facials and get one free.

**BODY:** Exercise and sports are a great way to stay in shape but are often accompanied by muscle aches and strains. Therapeutic massage can get your body back in the game by reducing the pain and stimulating quicker muscular recovery. The massage therapists at A Bella Salon and Spa are specially trained professionals devoted to your needs, goals and well being. Add Aromatherapy to any massage for \$10.00 extra.

**RETAIL SPECIALS:** 20% off Aquage and Repechage - 20% off all jewelry with this flyer.

**GIFT CERTIFICATE IDEAS:** New at A Bella Salon & Spa - create your own gift certificate on our website: [www.ABellaSalon.com](http://www.ABellaSalon.com) - any time of the day or night!

**BEAUTY TIP:** Feeling good on the inside is just as important as looking good on the outside. Drinking plenty of water during the day can help return your skin to its natural radiant glow. At least eight glasses a day is recommended to help keep your body looking and feeling its best.
